Blair,

Let me know if you need anything else on the FedEx proposal in addition to what I sent you yesterday.

Also, let me know if I need to prepare anything for the MT board meeting. (I am out Friday for a class reunion so basically have Wednesday and Thursday to put anything together.)

Blair,

Attached is the proposed part of the FedEx proposal dealing with the Kelly recommendations (in Word form so that you can modify if you wish).

I assume this is part of a larger proposal you are drafting that will include (1) the important role of the Crime Commission that no other entity is performing and (2) where the City is on MPD staffing (using info you are getting from the mayor and Doug).

One thing you might want to consider in the FedEx proposal (or maybe not). If FedEx would prefer, it could make a commitment along the lines you proposed to Dave but have it go the U of M Foundation earmarked for the PSI's role in evaluating the OSC plan. This would have the result of reducing the Crime Commission payment to the U of M as we move forward by whatever amount FedEx gives. (There might be some interest by FedEx in going this route as a way of supporting the university.)

Hope the attachment helps.
